

Black Holes & Chaos workshop program  
 Serbian Academy of Arts and Sciences, September 4-6 2024.  
 Organized by Institute of Physics Belgrade and Mathematical Institute SANU

| 04/09 (Wed)                                                            | 05/09 (Thu)                                                                          | 06/09 (Fri)                                                                                               |
